

Female Molding Type, Straight

M12 Female Molding Type Straight

Part number: MA12FAF04ST**C*34

Standard: IEC 61076-2-101

Certification: UL, CE

Electrical Data

Rated voltage:	250 V/AC 300 V/DC
Insulation resistance:	>20MΩ
Rated current:	4A
Contact resistance:	≤5mΩ
Ambient temperature:	-10°C ~ +70°C

Connector Specification

Polarity:	4 poles
Overmold:	TPU
Contacts:	Brass with gold plating
Insert:	PA +GF
Coupling nut/screw:	Brass with nickel plating
Degree of protection:	IP67

Cable Specification

Cable type:	PVC cable
Cable length:	Customized
Cable jacket:	PVC
Core insulation material:	PVC
Core insulation colours:	Brown, white, blue, black
Core cross-section:	0.34 mm ² * 4C
